WORK EXPERIENCE

MIS Executive | Star Health Insurance

October 2023 – Present

- ♣ **Managed** end-to-end verification workflows for critical customer KYC, PAN, Aadhaar, and bank documentation.
- ♣ **Ensured** 100% compliance across daily insurance operations by strictly adhering to IRDAI guidelines.
- ♣ **Optimized** policy processing workflows using advanced Excel features and document automation tools to maximize data processing speed.
- ♣ **Maintained** absolute database security protocols while lowering entry error rates to zero.

Associate Trainee | Novac Technology Solutions

February 2022 – June 2023

- ♣ **Executed** high-volume daily banking transactions, payout processing via NEFT, and detailed Bank Reconciliation Statements (BRS).
- ♣ **Conducted** strict risk analysis and identity verification for fixed deposits (FD) and recurring deposit (RD) schemes.
- ♣ **Delivered** premium customer support regarding branch banking operations, maintaining high satisfaction metrics.
